

**Inputs / Suggestions on the amendment of draft notification dtd.
25.05.2015 on fly ash utilization**

Sr.No. /Item No.	Proposed point in the draft notification	Provision in the earlier notification	Comments of the Board.
1	<p>In the said notification, in paragraph 1,</p> <p>(a) in sub-paragraph 1(A), for the words "hundred kilometers", the words "five hundred kilometers" shall be substituted.</p> <p>(b) in sub-paragraph (3), for the figures and letters "100 km." the words and letters "five hundred kilometers" shall be substituted;</p> <p>(c) in sub-paragraph (5), for the words "hundred kilometers", the words "five hundred Kilometers" shall be substituted;</p> <p>(d) in sub-paragraph (7), for the words "hundred kilometers", the words "five hundred Kilometers" shall be substituted;</p>	<p>In the earlier notification dtd. 14.9.1999, in paragraph 1 of sub paragraph 1(A), (3),(5) & (7), the provision of hundred kilometer has been given for every construction agency engaged in the construction of building from the coal or lignite based thermal power plant for the use of fly ash.</p>	<p>The provision of hundred kilometer radius from a coal or lignite based thermal power plant for construction agencies to use fly ash for construction purposes is enough. As of now the fly ash is not being used even within 100Kms.So, focus should be on to implement the existing provisions.</p>
2	<p>In the said notification, in paragraph 2, after the sub-paragraph(7) the following sub-paragraphs shall be inserted, namely:-</p> <p>"(8) Every coal or lignite based thermal power plants shall, (A suitable date prospective to final notification is to be specified) upload the stock of each type of fly ah available with them on their website and, thereafter shall update the stock position for each type of fly ash at least once in every fortnight.</p> <p>(9) A radius of hundred Kilometers from a coal/lignite based thermal power plant, the cost of transportation of fly ash for building and road construction projects shall be borne by such coal or lignite based thermal power plant and the cost of transportation beyond a radius of hundred Kilometers and upto five hundred Kilometers shall be shared equally between the user construction agency engaged and the coal or lignite based thermal power plant.</p>	<p>Not applicable as the proposed sub paragraph has been added.</p> <p>Not applicable as the proposed sub paragraph has been added.</p>	<p>Agreed & this clause may be included but the frequency to up date the stock position for each type of fly ash should be one month instead of fortnight.</p> <p>Agreed & this clause may be included but it may also be included that the construction agencies should lift the fly ash from the nearest Thermal Power Plant and in case the fly ash is not available in the nearest Thermal Power Plant only then he may approach the 2nd nearest Thermal Power Plant for fly ash. As far as the cost of transportation is concerned, some alternate arrangement in the form of incentives may be provided as the proposed</p>

	<p>(10) The coal or lignite based thermal power plants with a radius of five hundred Kilometers shall bear the entire cost of transportation of fly ash to the site of road construction projects under Prashan Mantri Gramin Sadak Yojna and asset creation programmes of the Government involving construction of buildings, road, dams and embankments".</p>	<p>Not applicable as the proposed sub paragraph has been added.</p>	<p>arrangement can be misused or it should be provided that fly ash will be given at the project site & not at the Thermal Plant site.</p> <p>Also, the project proponents should take the pond ash along with dry ash in appropriate ratio.</p> <p>Agreed to this clause but again it is reiterated that the fly ash should be taken from the nearest Thermal Power Plant.</p>
3	<p>In the said notification, in paragraph 3, after the sub-paragraph(7) the following sub-paragraphs shall be inserted, namely:-</p> <p>"(8) It shall be the responsibility of all State Authorities approving various construction projects to ensure that Memorandum of Understanding or any other arrangement for using fly ash based products is made between the thermal power plants and the construction agency or contractors.</p>	<p>Not applicable as the proposed sub paragraph has been added.</p>	<p>Agreed to this clause.</p>
